

Responsible

Liz Huett

[Verse 1]

N.C.

There s Bourbon in the bathtub, eyelashes in the sink

I m trying not to throw up on my thrift store mink

N.C.

There s someone on my pillow who says he works on tech

I beat him at Nintendo, who knows what happens next

[Pre-Chorus]

C

I know, I know, I know, I know

This is looking like a shit show

Am

And I m not gonna try to say

That it isn t what it is though

F

Don t cry about it, baby

Don t be so uptight

G

And I defense it all

Looked so damn glamorous last night

[Chorus]

C

Where is my purse?

Who s this person in my phone?

Am

I m pretty sure

I m the worst at self-control

F

Sometimes it hurts

Living so rock n roll

G

But it could be worse

I could be responsible

[Verse 2]

C

I should be with Amy cause she s just so adult

Am

She washes off her make-up and her voicemail isn t full

F

And if I called her up right now to save me from this mess

G

She d probably come and get me, but I don t know the address

[Pre-Chorus]

C

And I know, I know, I know, I know
This is looking like a shit show

Am

And I m not gonna try to say
That it isn t what it is though

F

Don t cry about it, baby
Don t be so uptight

G

And I defense it all
Looked so damn glamorous last night

[Chorus]

C

Where is my purse?
Who s this person in my phone?

Am

I m pretty sure
I m the worst at self-control

F

Sometimes it hurts
Living so rock n roll

G

But it could be worse
I could be responsible

[Bridge]

Dm

Officer, that ticket

Dm

I swear it s in the mail

Dm

But if not, how will I send it

Dm

If you take me to jail?

[Pre-Chorus]

(palm mute)

C

And I know, I know, I know, I know
This is looking like a shit show

Am

And I m not gonna try to say
That it isn t what it is though

F

Don t cry about it, baby
Don t be so uptight

G

N.C.

And I defense it all
Looked so damn glamorous last night

[Chorus]

C

Where is my purse?

Who s this person in my phone?

Am

I m pretty sure

I m the worst at self-control

F

Sometimes it hurts

Living so rock n roll

G

But it could be worse

I could be responsible

[Outro]

C

I, I, I, I could be responsible

Am

I, I, I, I could be responsible

F

I, I, I, I could be responsible

G

I, I, I, I could be responsible
