

## Sun Out Of The Rain

Liz Huett

Awesome song by Taylor Swift s old backup singer, Elizabeth Huett. Fantastic song and a great voice.

Capo 3

**Am** **F** **C** **G**  
When your lost on a rolling sea  
**Am** **F** **C** **G**  
When life ain t what it used to be  
**Am** **F** **C** **G**  
When all your troubles got you in to deep  
**Am** **F** **C** **G**  
And trouble comes so easily  
**Am** **F** **C** **G**  
Days they pass with a racing time  
**Am** **F** **C** **G**  
So much weighing on your mind  
**Am** **F** **C** **G**  
In a world so fast it s easy to fall behind  
**Am** **F** **C**  
Well it s okay to cry sometimes

**Am** **F** **C** **G**  
So baby hold on the storm will roll away  
**Am** **F** **C** **G**  
It may be pouring down but it s only for today  
**Am** **F** **C** **G**  
A million pieces might be falling into place  
**Am** **F** **C** **G**  
And when there are no words to say  
**Am** **F** **C** **G**  
We ll make the sun out of the rain

**Am** **F** **C** **G**  
You ve been walking down a winding road  
**Am** **F** **C** **G**  
Heart is worn and the wind is cold  
**A,** **F** **C** **G**  
When all is all is lost, know that you ll be coming home  
**Am** **F** **C** **G**  
Know you don t have to be alone  
**Am** **F** **C** **G**

Cause you still got that fire in your eyes  
**Am F C G**  
Though these days, it doesn't seem too bright  
**Am F C G**  
It's still waiting for ya, on the other side  
**Am F C G**  
Where everything will be alright

**Am F C G**  
So baby hold on the storm will roll away  
**Am F C G**  
It may be pouring down but it's only for today  
**Am F C G**  
A million pieces might be falling into place  
**Am F C G**  
And when there are no words to say  
**Am F C G**  
We'll make the sun out of the rain

**Am F**  
Black, white, day and night  
**C G**  
Turning wrong into the right  
**Am F**  
In the dark we'll find your light  
**C G Am F C G**  
We will find the way, when you got nothing  
**Am F C G**  
We'll make it something

**Am F**  
Black, white, day and night  
**C G**  
Turning wrong into the right  
**Am F**  
In the dark we'll find your light  
**C G Am F C G**  
We will find the way, when you got nothing  
**Am F C G**  
We'll make it something, yeah

**Am F C G**  
If you just hold on the storm will roll away  
**Am F C G**  
And when it's coming down, know it's only for today  
**Am F C G**  
A million pieces might be falling into place  
**Am F C G**  
And when there are no words to say  
**Am F C G**

So baby hold on the storm will roll away  
          **Am**      **F**          **C**          **G**  
It may be pouring down but it s only for today  
**Am**      **F**          **C**          **G**  
A million pieces might be falling into place  
          **Am**      **F**          **C**      **G**  
And when there are no words to say  
          **Am**      **F**          **C**      **G**  
We ll make the sun out of the rain  
          **Am**      **F**          **C**      **G**  
Sometimes there are no words to say  
          **Am**      **F**          **C**      **G**  
We ll make the sun out of the rain

(no music, clapping)

OH, baby hold on the storm will roll away (away)

It may be pouring down but it s only for today (only for today)

A million pieces might be falling into place

And when there are no words to say

We ll make the sun out of the rain
