```

(Verse)

```

              C
I wasn t looking
          Am
no love never crossed my mind
          Em
till you came along
          F              G
talking all sweet and slow and kind
              C
look what you ve done
          Am
you changed the game
          Em
just one look in your eyes
          F              G
and the way you say my name
```

(Chorus)

```

              C          F          C
you ve got that way
          Am              E7          F          G
you ve got a way of making everything alright
              C          F          F
you ve got that way
          Am              E7          F
you ve got a way of waltzing in and changing my whole life
              G          F
can t you see you ve changed my life
          G          C
cause youâ€™ve got that way
```
