*****
```

(Verse)

```

                C#
I wasn t looking
            Bbm
no love never crossed my mind
            Fm
till you came along
            F#                G#
talking all sweet and slow and kind
                C#
look what you ve done
            Bbm
you changed the game
            Fm
just one look in your eyes
            F#                G#
and the way you say my name
```

(Chorus)

```

                C#                F#                C#
you ve got that way
            Bbm                F7                F#                G#
you ve got a way of making everything alright
                C#                F#                F#
you ve got that way
            Bbm                F7                F#
you ve got a way of waltzing in and changing my whole life
                G#                F#
can t you see you ve changed my life
            G#                C#
cause youâ€™ve got that way
```
