Dont Look Back
Lloyd Cole

Great song by Sir Lloyd of Cole.....

Could play bar chords and different versions or add9 s in places, the F(A) in the
chorus could be add9, also the Am7(C#m7) could just be Am(C#m)..
This is how i play it anyway:

G:320033
Cadd9:x32033
Am7:x02013
F;xx3211
C:x32013
C/B:x2x013
D:xx0232

Capo 4th fret...

G(B)   **Cadd9**(Eadd9)
    When you re nothing to no one
G(B)   **Cadd9**(Eadd9)
    And you re less than you can
G(B)   **Cadd9**(Eadd9)
    And you re looking for someone
Am7(C#m7)   **Cadd9**(Eadd9)
      Who won t cling to anything
G(B)   **Cadd9**(Eadd9)
   So you re stuck in some motel
G(B)   **Cadd9**(Eadd9)
With the sound of her sleeping
G(B)   **Cadd9**(Eadd9)
Don t you feel kinda old now
Am7(C#m7)   **G**(B)
   Well ain t that a funny thing
F(A)   **C**(E)
  I used to wake up early
          G(B)   **C**(E) **C/B**(E/Eb)
I used to try to believe
Am7(C#m7)   **D**(F#)
   But life seems neverending
          F(A)
When you re young

G(B)   **Cadd9**(Eadd9)
mmmm mmm mmm mmmmmm
Am7(C#m7)   **Cadd9**(Eadd9)
oooh ooh ooh ooooh

Same chord pattern for rest of song:

So you re back on the highway
And there s wind in her hair
And you know that it s no time for thinking
About somebody up there
 cause you ll turn her to drinking
And you ll lead her to hell
With her bottle beside her
She surely looks like an angel
I used to wake up early
I used to try to believe
But faith is never easy
When you re young
No no no
I used to wake up early
Now it s hard, hard enough to sleep
But life seems neverending
When you re young
Oh no no no no
