

Forest Fire
Lloyd Cole

Forest Fire â€” Lloyd Cole and the Commotions from the album â€”Rattlesnakesâ€”

C **Em**
She crossed herself as she put on her things
C **Em**
She has promised once before not to live this way
F **C**
If she donâ€™t calm down she will burn herself out
Dm **F** **C**
Like a forest fire, well doesnâ€™t that make you smile

C **Em**
If you donâ€™t slow down, I swear that Iâ€™ll come round
C **Em**
And mess up your place, letâ€™s go for a spin
F
They say we shouldnâ€™t even know each other
C
And that weâ€™ll be undone
Dm **F** **C**
Donâ€™t it make you smile like a forest fire

I believe in love, Iâ€™ll believe in anything
Thatâ€™s gonna get me what I want and get me off my knees
Then weâ€™ll burn your house down, donâ€™t it feel so good
Thereâ€™s a forest fire every time we get together

C **Em**
Doo doo doo, doo doo doo, doo doo doo doo doo doo
C **Em**
Doo doo doo, doo doo doo, doo doo doo doo doo doo
F
Hey pick you up, put you down

Rip you up and spin you round
C
Just like we said we would
Dm
â€™cause weâ€™re a forest fire
F **C**
Believe you me, weâ€™ll tear this place down

If we get caught in this wind then we could burn the ocean
If we get caught in this scene weâ€™re gonna be undone
Itâ€™s just a simple metaphor, itâ€™s for a burning love
Donâ€™t it make you smile like a forest fire

Brilliant song by Lloyd Cole, no tabs in print for the band so hopefully you will enjoy this !
