

Its Late
Lloyd Cole

It's late Lloyd Cole

C **Am**
It s late - I m so far from home - it s late - I don t want to be alone

F **Am**
It s late - and your eyes are black your eyes are black as coal

Dm **Am**
I want to take you back - take you back to my hotel

Dm **G**
I could be true tonight - to someone like you tonight

C **Am** **F**
It s late - this lonely hotel room - it s late - there s nobody but you on my mind

Am **Dm**
With your lips so red - lips as red as hellfire - stop me dead, bring me down to my knees

Dm **G** **C**
I could be blue tonight - for someone like you tonight - someone like you

Am
I went looking for the devil s daughter - found you sitting in this old saloon
F **G** **Em** **Am**
Just exactly where the hotel porter told me - if you re looking for trouble tonight

C **Am**
I know where the trouble s going to be tonight - cross my palm with silver
Dm **G**
I could be true tonight - to someone like you tonight
+ **Dm** **G** **C**
I could be blue tonight - for someone like you

C **Am** **F** **Am** **Dm** **G**
Lalalala mmh mmh mmh

C **Am**
It s late - I m so far from home - it s late - I don t want to be alone
F **Am** **Dm**
It s late - as I close my eyes you won t let me be - I can t sleep tonight

Am
What am I supposed to do

Dm **G**
I could be true tonight -to someone like you tonight

Dm **G** **C** **F** **C** **F**
C
I could be blue tonight - for someone like you - someone like you - someone like

you
