UNDRESSED--LLOYD COLE

(Memory may fail me for words and some chords, but this is MY way)
(Capo third fret so you can play along on a C or G harp)

G# Fm C# C#9

You look so good when you re depressed
Better even in your current state of Undressed
Here s caressing me that way
I m not even drinking I feel fine In your pain

The cruellest thing I ever saw
You were sitting there smoking my cigarette, you were naked on the bare
stone floor
You looked at me to say don t guess
I was only watching yes I love you more Undressed.

CHORUS:

Eb Fm Bbm Eb

Is it really such a sin?
Should I feel some kind of shame?

Fm Bbm C# C#9

Will I truly go to hell?

You never lock the bathroom door
Should I be embarrassed when I ve seen a hundred times before
How do married couples go?
Should I say excuse me darling? I don t know...

CHORUS

You look so good when you re depressed
Better even in your current state of Undressed
Here s caressing me that way
I m not even thinking I feel fine... scary...

CHORUS

The cruellest thing I ever saw

You were sitting there smoking my cigarette you were naked on the bare
stone floor

You looked at me to say don t guess

I was only watching is it bad that i should love you best... Undressed.

(end on **C#**)
