Dont Expect Me To Be Your Friend
Lobo

This is the first time I ve tabbed anything out, so forgive me if
the format is a bit off. The picking isn t necessarily perfect,
but it should give you an idea of what to do. Tab and chords are
relative to capo.

Capo 6th fret, standard tuning.

Verse and intro picking:

```
G                    Am7           G            Am7

E-3--------3----|-3--------3----|-3---------3----|-3--------3----|
B------0--------|------1--------|------0---------|------1--------|
G--------------|--------------|--------------|--------------|
D--------0------|----2-------2--|--------0-------|----2-------2--|
A----2-------2--|-0------0------|----2-------2--|-0------0------|
E-3-----------|--------------|-3-----------|--------------|
```

Verse to Chorus fill:

```
Dsus4           Dsus4-D-Dsus2-D

E-3--------3----|-3p2--0---2----|
B------3--------|------------3--|
G----2---2---2--|--------------|
D-0-------------|----2---2------|
A--------------|-0-------------|
E-------------|--------------|
```

G Am7 G Am7

First Verse:

```
G                Am7           G         Am7
```
I stopped sending flowers to your apartment
```
G                Am7           G         Am7
```
You said you aren t at home much anymore
```
G                Am7           G         Am7
```
I stopped dropping by without an appointment
```
G                Am7           G         Am7
```
Cause I d hear laughter coming through your door

G Am7 G Am7

Second Verse:

```
G                   Am7          G          Am7
Sometimes late at night you ll still call me
G                   Am7          G          Am7
Just before you close your eyes to sleep
G                   Am7          G          Am7
You make me vow to try and stop by sometime
G                   Am7              Dsus4 D Dsus2 D
But Baby that s a promise I can t keep

Chorus (strum the chords):

C          D              G  G/F# G/E
I love you too much to ever start liking you
   C          C/B         Am7          D Dsus4 D Dsus2 D
So lets just let the story kinda end
C          D              G  G/F# G/E
I love you too much to ever start liking you
   C          C/B    Am7                 G (back into picking) Am7
So don t expect me to be your friend

G Am7

Third verse:

G                   Am7              G          Am7
I don t walk down through the village or other places

G                   Am7              G          Am7
That we used to go to all the time

G                   Am7              G          Am7
I m trying to erase you from my memory

G                   Am7              Dsus4 D Dsus2 D
Cause thinking of you jumbles up my mind

Chorus:

C          D              G  G/F# G/E
I love you too much to ever start liking you
   C          C/B         Am7          D Dsus4 D Dsus2 D
So lets just let the story kinda end
C          D              G  G/F# G/E
I love you too much to ever start liking you
   C          C/B    Am7                 G (back into picking) Am7
So don t expect me to be your friend

            Harmonica solo (picking is similar)
G Am7 C D G Am7 G Am7
```

```
G                   Am7           G       Am7
You always act so happy when I see you

G                   Am7           G       Am7
You smile that way you take my hand and then

G                   Am7           G       Am7
Introduce me to your latest lover

G                   Am7           G       Am7
That s when I feel the walls start crashing in

Chorus:

C         D           G  G/F# G/E
I love you too much to ever start liking you
   C         C/B       Am7         D Dsus4 D Dsus2 D
So lets just let the story kinda end
C         D           G  G/F# G/E
I love you too much to ever start liking you
   C       C/B     Am7               G (back into picking) Am7
So don t expect me to be your friend
