I remember to this day

The bright red Georgia clay

And how it stuck to the tires

After the summer rain

Will power made that old car go

C D G

A woman s mind told me that so

Oh how I wish

F F5////G5 F5////G5

We were back on the road again

Chorus:

C D G

Me and you and a dog named boo

C D D

Travelin and livin off the land

C D G

Me and you and a dog named boo

F C G

How I love being a free man

I can still recall

The wheat fields of St. Paul

And the morning we got caught

Robbing from an old hen

Old McDonald he made us work

But then he paid us for what it was worth

Another tank of gas

And back on the road again

I ll never forget the day

We motored stately into big L.A.

The lights of the city put settlin
Down in my brain
Though it s only been a month or so
That old car s buggin us to go
We ve gotta get away and get back on
The road again
