I remember to this day  
    **C**        **D**        **G**  
The bright red Georgia clay

And how it stuck to the tires

After the summer rain  
    **G**  
Will power made that old car go

**C**            **D**            **G**  
A woman s mind told me that so

Oh how I wish  
            **F**            **C**        **G**        **F G**  
We were back on the road again

**C**        **D**            **G**  
Me and you and a dog named boo  
**C**                    **D**                    **G**  
Travelin and livin off the land

Me and you and a dog named boo

How I love being a free man

I can still recall  
The wheat fields of St. Paul  
And the morning we got caught  
Robbing from an old hen  
Old McDonald he made us work  
But then he paid us for what it was worth  
Another tank of gas  
And back on the road again

I ll never forget the day  
We motored stately into big L.A.  
The lights of the city put settlin  
Down in my brain  
Though it s only been a month or so  
That old car s buggin us to go  
We ve gotta get away and get back on  
The road again
