G

You heard that we were great and now you think we re lame

Em

Since you saw the show last night

G

You thought that we would rock, knock it up a notch

Em

But rocking was nowhere in sight

C

G

And it s never good when it goes bad

C

G

No one likes to feel like they ve been had

G

And it may be ok, but you won t wear our T- shirts now,..... not anymore

G

First the band looked wired then band looked wired

Em

Sluggish and a little slow

G

He was walking through the set as drunk as he could get

Em

What the hell was wrong with Joe?

C

G

You could tell the crowd was fading fast

C

G

Every song we played looser than the last

C

G

And it may be ok but you won t wear our t-shirts now

CHORUS:

G

A7sus4

All the kids they hold a grudge

Csus4

Their minds are logged on to the net

G

A7sus4

And all the kids they hold a grudge

Csus4

You failed them and they won't forget

G

D

Csus4

All the kids they're tired and turn away

Em

They saw what you did

D

G

You're all wrong and all the kids are right

INTERLUDE:

Esus4 Dsus4 Csus4 G

You heard that we were great now you think we're lame

Since you saw the show last night

You hoped that we would rock

But wished that we'd just stop

Finally we said good night

When we returned for the encore

You and have the room headed for the door

No one wanted more

All the kids they.....

All your cred won't save you from the kids
