intro

Destructive impulses and cowardice and lies
Buzzing back to life like freeze dried flies
Flies for love
And flies for sex
But the flies for fear are flies I like best
Impulsive destruction is where my talent lies

The slow slide down
You re trying to change me
It s all my fault
But you never blame me

INTRO **Em G**
It s in everything we do

One for love
And one for sex
But the one for fear s the one I like best
This act is a bore but it makes me who I am

The slow slide down
You never can see it
My act is a bore
You always believe it

INTRO **Em G**
It s in everything we do
