Then there s other lyrics which I can t remember right now
becasue I let my friend borrow my CD. But it only keeps
those 4 chords, but changes rhythm sometimes. This whole CD
kicks ass, and if anybody has the TAB for any of the other songs,
except for Bound for the floor, send it my way at
Dodderip@Erols.com. I ve also got some intros for the
new Offspring album, Ixnay on The Hombre, so if you want those
E-mail me. I ll be posting a GOOD version of Bound For The Floor
a little bit later, because all the versions that I ve seen
don t cut the cake. Later all, Paul Dodderidge
