

Dull and null and void and all my best instincts stink
They pay me by the hour and I don't even have to think
Charismatic bore and I don't wanna work no more
I'm gonna kill the next customer who walks in the door

Mayonnaise and malaise to go

It`s really something to be twenty-nothing
I feel my place is so secure
A culture spot that I have got
So glad to be unsure
we`ve passed our prime in record time
I never thought we`d fall so low
we`ve come this far to sell your cars
I want all my unease to go

it`s really something, to be twenty-nothing
I feel my place is so secure
A culture spot that I have got
So glad to be unsure
I`ve come to resent what I represent
I`d like to smack that smile off your face
But for my angst I must say thanks :-D
So good to be put in my place

Mayonnaise and malaise to go B-)

Punk rock car :-)
