Waiting for My words to catch like I m trying

To strike a match that s soaking wet

See through skull See through skin

F#m E

Leave all the lights on

Can t see out, but they see in

Abm E B A Abm E B

Stare down my nose, watching color drains from my eyes

Dbm B F#m A

No, I know, I know I ve already told myself

Dbm B F#m E

Maybe I ll believe it from somebody else

Dbm B F#m A

No, I know, I know I ve already told myself

Dbm B F#m E

Maybe I ll believe it from somebody else

Breathing out, hoping to breathe in

I know nothing s wrong, but I m not convinced

I can t let it happen, just let it happen

Just don't think so much

**E**

Just don't think so much.
