

Who Knows Who Cares
Local Natives

Chords: **A-C#m-A-E**

(I figured these out on piano so you want go up the neck for each chord, expect for the 2nd F which you back down for. listen to the song to get the rhythm. and these may no even be correct, enjoy)

A

i ve been going down

C#m

down into the river baby

E

listen to the sound

A

E

A-C#m-E-A, E

it s something only god knows

A

C#m

you figure it out, i can t stay

E

water s in the clouds

A

E

is my life about to change?

A-C#m-E-A, Fx2

who knows, who cares

A-C#m-E-A

so we took a van down to colorado

where we ran into the dead

i took you by the hand

know that even with your doubts, it s ok

take into account that it s not about to change

who knows, who cares

you could let it down

jump into the river baby

easy as it sounds

it s never quite as easily done

the current has us now, it s ok

take into account that it s all about to change

who knows, who cares

no one s been there

but i don t care

i know all have been there

i don t care

i know
