

Who Knows Who Cares
Local Natives

Chords: **C-Em-C-G**

(I figured these out on piano so you want go up the neck for each chord, expect for the 2nd F which you back down for. listen to the song to get the rhythm. and these may no even be correct, enjoy)

C

i ve been going down

Em

down into the river baby

G

listen to the sound

C

G

C-Em-G-C,G

it s something only god knows

C

Em

you figure it out, i can t stay

G

water s in the clouds

C

G

is my life about to change?

C-Em-G-C,Fx2

who knows, who cares

C-Em-G-C

so we took a van down to colorado

where we ran into the dead

i took you by the hand

know that even with your doubts, it s ok

take into account that it s not about to change

who knows, who cares

you could let it down

jump into the river baby

easy as it sounds

it s never quite as easily done

the current has us now, it s ok

take into account that it s all about to change

who knows, who cares

no one s been there

but i don t care

i know all have been there

i don t care

i know
