I could see you every

G A

time I close my eyes

G

and I Can feel you in

D

my heart and I Can

G A

hear you in my mind

D

Sayin I m right here

G

When things get rough

A

And when I fall down

G

You still pick me up

D G

Remind me how everything s gonna

A

be just fine

G

From my first step in the livin room

D

and all the little league games it was always you

A

on the front row lettin everybody know

D

that s my boy just watch him go

G

you were shotgun when ya taught me how

D

to drive your truck on the edge of town

A Em Em7 A

I know somewhere just above the clouds

Em7 A D

you still got the best seat in the house

D

From where you re sittin

G

I bet you re gettin

A

a pretty good laugh

G

watchin me try

D

to cut a path

G

from a boy

A

to a family man

D

sometimes I don t

G

know what to do

A

but I make it through

G

cuz I just do

D

what I think you d do

G

A

itâ€™s like your holdin my hand

G

from the 50 yard line on Friday night

D

to my senior prom you helped me tie my tie

A

graduation day I could hear you yell

D

that s my boy proud as hell

G

from the front pew on my weddin day

D

with the biggest smile in the whoooooole place
