I could see you every

F G

time I close my eyes

F

and I Can feel you in

C

my heart and I Can

F G

hear you in my mind

C

Sayin I m right here

F

When things get rough

G

And when I fall down

F

You still pick me up

C F

Remind me how everything s gonna

G

be just fine

F

From my first step in the livin room

C

and all the little league games it was always you

G

on the front row lettin everybody know

C

that s my boy just watch him go

F

you were shotgun when ya taught me how

C

to drive your truck on the edge of town

I know somewhere just above the clouds

Dm7 G C

you still got the best seat in the house

F G

C

From where you re sittin

F

I bet you re gettin

G

a pretty good laugh

F

watchin me try

C

to cut a path

F

from a boy

G

to a family man

C

sometimes I don t

F

know what to do

G

but I make it through

F

cuz I just do

C

what I think you d do

F

G

itâ€™s like your holdin my hand

F

from the 50 yard line on Friday night

C

to my senior prom you helped me tie my tie

G

graduation day I could hear you yell

C

that s my boy proud as hell

F

from the front pew on my weddin day

C

with the biggest smile in the whoooooole place
