E

I could see you every

A **B**

time I close my eyes

A

and I Can feel you in

E

my heart and I Can

A **B**

hear you in my mind

E

Sayin I m right here

A

When things get rough

B

And when I fall down

A

You still pick me up

E **A**

Remind me how everything s gonna

B

be just fine

A

From my first step in the livin room

E

and all the little league games it was always you

B

on the front row lettin everybody know

E

that s my boy just watch him go

A

you were shotgun when ya taught me how

E

to drive your truck on the edge of town

B **F#m** **F#m7** **B**

I know somewhere just above the clouds

F#m7 **B** **E**

you still got the best seat in the house

A **B**

E

From where you re sittin

A

I bet you re gettin

B

a pretty good laugh

A

watchin me try

E

to cut a path

A

from a boy

B

to a family man

E

sometimes I don t

A

know what to do

B

but I make it through

A

cuz I just do

E

what I think you d do

A

B

itâ€™s like your holdin my hand

A

from the 50 yard line on Friday night

E

to my senior prom you helped me tie my tie

B

graduation day I could hear you yell

E

that s my boy proud as hell

A

from the front pew on my weddin day

E

with the biggest smile in the whoooooole place

B

E

you still got the best seat in the house

E A B

A

From the front steps of the pearly gates

E

I swear sometimes I can hear him say

B

come on angels gather round

E

that s my boy now ain t ya proud

A

when I point up into the sky

E

it don t matter day or night
