CAPO II

```
 C#                     G#                      F#
Thereâ€™d always be a tailgate right in front of you
 C#                     G#                      F#
Thereâ€™d always be a shotgun rack in your rearview
 C#                             G#
All the interstates would be gravel roads
 F#
Every off ramp would have a fishinâ€™ hole
    C#                  G#
My daddy had one, my pappy did too
        F#
Well I got one and so should you
```

Chorus
```
      C#                      G#                      F#
To go muddinâ€™ and hunting and never gettinâ€™ stuck in
 C#                     G#            F#
Nothinâ€™ cuz we can go anywhere we wanna go
 C#                 G#
Up to the river, out to the lake
 F#
Take your friends that you wanna take
      C#                          G#
Just leave a little room for a girl in the cab
     F#
A spot in the bed for your dog (Dog Howell)
          C#                          G#
If we all just drove trucks
(HOLD)             F#
Weâ€™d all get along
```

Verse 2:
```
 C#                      G#                      F#
My phone wouldnâ€™t ring every time you need to move a couch
    C#                          G#                      F#
And if your tires get to spinninâ€™ Woody and Zooko will pull you out
        C#                      G#
All the taxi cabs could haul a quarter-ton load
 F#
Stretch limousines would all be pullinâ€™ bass boats
     C#                                  G#
```

The cop cars and ambulances would be jacked up high
```
     F#
```
Lined up round a bonfire on Friday night

Chorus
```
     C#                        G#                       F#
```
To go muddinâ€™ and hunting and never gettinâ€™ stuck in
```
C#                         G#            F#
```
Nothinâ€™ cuz we can go anywhere we wanna go
```
C#               G#
```
Up to the river, out to the lake
```
F#
```
Take your friends that you wanna take
```
     C#                          G#
```
Just leave a little room for a girl in the cab
```
   F#
```
A spot in the bed for your dog (Dog Howell)
```
        C#                      G#
```
If we all just drove trucks
```
           F#
```
Weâ€™d all get along

```
        C#                             G#
```
I say we load up a boat with all them foreign cars
```
    F#
```
And send them back overseas
```
C#                          G#                         F#(Strum Once On Each Letter)
```
Yeah you can take â€˜em all back including those S.U.V.s

Meanwhile, weâ€™ll all be

Chorus
```
     C#                        G#                    F#
```
To go muddinâ€™ and hunting and never gettinâ€™ stuck in
```
C#                      G#          F#
```
Nothinâ€™ cuz we can go anywhere we wanna go
```
C#                G#
```
Up to the river, out to the lake
```
F#
```
Take your friends that you wanna take
```
    C#                          G#
```
Just leave a little room for a girl in the cab
```
   F#
```
A spot in the bed for your dog (Dog Howell)
```
      C#             G#
```
If we all just drove trucks
```
              F#
```
Weâ€™d all get along
```
     C#              G#
```
If we all just drove trucks
```
(Hold)        F#
```
Weâ€™d all get along
