Trucks

LOCASH

This is a great song I stumbled upon on youtube. This is my very first tab, I know its not perfect but its close. Any input and suggestions would be greatly appreciated! Y all Enjoy!!

CAPO II

There'd always be a tailgate right in front of you

There'd always be a shotgun rack in your rearview

All the interstates would be gravel roads

Every off ramp would have a fishin' hole

My daddy had one, my pappy did too

Well I got one and so should you

Chorus

To go muddin' and hunting and never gettin' stuck in

Nothin' cuz we can go anywhere we wanna go

Up to the river, out to the lake

Take your friends that you wanna take

Just leave a little room for a girl in the cab

A spot in the bed for your dog (Dog Howell)

If we all just drove trucks

(HOLD)

We'd all get along

Verse 2:

В

My phone wouldnâ \in mt ring every time you need to move a couch

And if your tires get to spinnin' Woody and Zooko will pull you out

All the taxi cabs could haul a quarter-ton load

Stretch limousines would all be pullin' bass boats

```
The cop cars and ambulances would be jacked up high
Lined up round a bonfire on Friday night
***Chorus***
To go muddin' and hunting and never gettin' stuck in
Nothin' cuz we can go anywhere we wanna go
Up to the river, out to the lake
Take your friends that you wanna take
Just leave a little room for a girl in the cab
A spot in the bed for your dog (Dog Howell)
If we all just drove trucks
We'd all get along
         Е
I say we load up a boat with all them foreign cars
And send them back overseas
                                                A(Strum Once On Each Letter)
Yeah you can take â€~em all back including those S.U.V.s
Meanwhile, we'll all be
***Chorus***
                          в
To go muddinâ\in<sup>™</sup> and hunting and never gettinâ\in<sup>™</sup> stuck in
                      В
Nothinâ\in<sup>™</sup> cuz we can go anywhere we wanna go
Up to the river, out to the lake
Take your friends that you wanna take
Just leave a little room for a girl in the cab
A spot in the bed for your dog (Dog Howell)
If we all just drove trucks
We'd all get along
If we all just drove trucks
(Hold)
```

We'd all get along
