

**Watertown**

**Logan Whitehurst & The Junior Science Club**

[Verse]

**F** **Dm**  
Welcome to Watertown  
**C** **F**  
Where it s all your fault  
**F** **Dm**  
I m working insecurities  
**C** **Gm** **F**  
At the shopping mall

**F** **Dm**  
The doctor is a maniac  
**C** **F**  
But the air is free  
**F** **Dm**  
Second-hand oxygen  
**C** **F**  
Is all I breathe

[Chorus]

**Bb** **F**  
This is a town with a melody **Bb**  
The birds sing it back to me  
**Bb** **A** **Gm**  
Until I hold my hands up  
And say why don t you stop  
**F** **Bb**  
And I think I m on the verge of insanity  
**Bb** **A** **Gm**  
And I lost my wallet, my car keys,  
My shoes and my socks and I  
**C**  
Think that I m losing my mind

[Break]

**F** **Dm** **C** **F**  
**F** **Dm** **C** **Gm** **F**

[Verse]

**F** **Dm**  
Staring at pendulums  
**C** **F**  
I watch my step

**F** **Dm**  
Walking intangibly  
**C** **F**  
On a cigarette

[Chorus]

**Bb** **F**  
This is a town with a history  
**Bb**  
The voices sing it back to me  
**Bb** **A** **Gm**  
Until I hold my hands up  
And say why don't you stop  
**F** **Bb**  
And I'm paying my respects to my anatomy  
**Bb** **A**  
Couldn't help it

**Gm**  
Water, water everywhere  
**C**  
But not a thought to think

[Ending]

**F** **Dm**  
Welcome to Watertown  
**C** **Gm** **F**  
Where it's all your fault
