Second-hand oxygen

Is all I breathe

G **D**
This is a town with a melody **G**
The birds sing it back to me
G **F#** **Em**
Until I hold my hands up
And say why don t you stop
D **G**
And I think I m on the verge of insanity
G **F#** **Em**
And I lost my wallet, my car keys,
My shoes and my socks and I
A
Think that I m losing my mind

Walking intangibly

On a cigarette

G **D**
This is a town with a history
G
The voices sing it back to me
G F# Em
Until I hold my hands up
And say why don't you stop

Couldn't help it

Water, water everywhere

But not a thought to think
