

**Watertown**

**Logan Whitehurst & The Junior Science Club**

[Verse]

**F#** **Ebm**  
Welcome to Watertown  
**C#** **F#**  
Where it s all your fault  
**F#** **Ebm**  
I m working insecurities  
**C#** **G#m** **F#**  
At the shopping mall

**F#** **Ebm**  
The doctor is a maniac  
**C#** **F#**  
But the air is free  
**F#** **Ebm**  
Second-hand oxygen  
**C#** **F#**  
Is all I breathe

[Chorus]

**B** **F#**  
This is a town with a melody **B**  
The birds sing it back to me  
**B** **Bb** **G#m**  
Until I hold my hands up  
And say why don t you stop  
**F#** **B**  
And I think I m on the verge of insanity  
**B** **Bb** **G#m**  
And I lost my wallet, my car keys,  
My shoes and my socks and I  
**C#**  
Think that I m losing my mind

[Break]

**F#** **Ebm** **C#** **F#**  
**F#** **Ebm** **C#** **G#m** **F#**

[Verse]

**F#** **Ebm**  
Staring at pendulums  
**C#** **F#**  
I watch my step

**F#** **Ebm**  
Walking intangibly  
**C#** **F#**  
On a cigarette

[Chorus]

**B** **F#**  
This is a town with a history  
**B**  
The voices sing it back to me  
**B Bb G#m**  
Until I hold my hands up  
And say why don't you stop  
**F#** **B**  
And I'm paying my respects to my anatomy  
**B Bb**  
Couldn't help it

**G#m**  
Water, water everywhere  
**C#**  
But not a thought to think

[Ending]

**F#** **Ebm**  
Welcome to Watertown  
**C#** **G#m** **F#**  
Where it's all your fault
