

**House At Pooh Corner**  
**Loggins & Messina**

House At Pooh Corner                      Kenny Loggins

(Capo at 2nd fret)

**D**                      **Em**                      **F#m**                      **Bm**  
Christopher Robin and I walked along  
**G**                      **A**                      **D**  
Under branches lit up by the moon  
**D**                      **Em**                      **F#m**                      **Bm**  
Posing our questions to owl and Eyore  
**G**                      **A**                      **D**  
As our days disappeared all to soon  
**Bm**    **F#m**  
But I wandered much further today than I should  
**G**    **A**  
And I can't seem to find my way back to the wood

CHORUS:

**D**                      (**C#** bass)                      (**B** bass)                      **A**  
So help me if you can I've got to get  
**D**                      (**C#** bass)                      (**B** bass)                      **A**  
Back to the house at Pooh corner by one  
**D**                      (**C#** bass)                      (**B** bass)                      **A**  
You'd be surprised there's so much to be done  
**F#m**    **Bm**                      **F#m**    **Bm**  
Count all the bees in the hive, chase all the clouds from the sky  
**G**                      **A**                      **Bm**    **C**  
Back to the days of Christopher Robin and Pooh

Winnie the Pooh doesn't know what to do  
Got a honey jar stuck on his nose  
So he came to me asking help and advice  
And from here no one knows where he goes  
So I sent him to ask of the owl if he's there  
How to loosen a jar from the nose of a bear

**G**                      **A**                      **Bm**  
Back to the days of Christopher Robin  
**G**                      **A**                      **Bm**  
Back to the days of Christopher Robin  
**G**                      **A**                      **Bm**  
Back to the days of Pooh  
**G**                      **A**                      **Bm**  
Oh oh oh oh oh  
**G**                      **A**                      **B** (major)  
Oh oh oh oh oh
