

If you rich, or you poor, we gon always want more

**Ab Bb**

But one thing I can be sure, as long as I got the floor

**Bbm C F**

I ma use this power to paint a picture of unity

**Ab**

And yeah I m rippin it up with that energy like it s two of me

**Bb Bbm C**

Fuck the lights and the cameras, right now it s just you and me

[Bridge 1: Logic & (Ryan Tedder)]

**F**

One day (one day)

**Ab**

I ll be richer than I was before

**Bb**

One day (one day)

**Bbm C**

I m gon have enough money to buy the store

**F**

One day (one day)

**Ab Bb**

Like Sinatra said you know I m finna do it my way

N.C.

You on the road to success, I took the highway

[Chorus: Ryan Tedder]

**F Ab Bb Bbm C**

And maybe one day I ll be wiser

**F Ab Bb Bbm C F**

Cause maybe one day I ll be further from here

**Ab Bb Bbm C**

Put all of my faith in tomorrow

**F Ab**

Dark days keep me up all night

**Bb Bbm**

Only thing I know, it s gonna be

Alright

[Verse 2: Logic]

**C F**

Feelin blessed like I m at mass

**Ab**

Yeah, I m comin for that ass

**Bb Bbm**

Game been broken for too long, so I guess I am the cast

**C F Ab**

Left my Section eight crib, finally found some greener grass

**Bb Bbm**

So ahead of my time, I wasn't born in the past

**C F Ab**

This right here a double-header with Logic and Ryan Tedder

**Bb**

Oh no, it can't get no better

**Bbm C**

And you know, we know we do it for the children  
N.C.

I never thought I'd see the day I made a million

A couple dozen later, feel like everybody feel 'em

**F Ab**

I ain't mean to boast in that last line

**Bb Bbm C**

But countin' money's always been my favorite pastime

**F Ab**

Especially with a past like mine

**Bb**

Drugs in the household

**Bbm**

Never had a hand to hold

**C F Ab**

Even when I was homeless in the blisterin' cold, but I made it out

**Bb Bbm**

And if I can, you can, no doubt

**C**

I know

[Bridge 2: Logic & (Ryan Tedder)]

**F**

(One day)

**Ab**

I ma do it like I never did it

**Bb**

(One day)

**Bbm C**

I ma have the courage to go out and get it

**F**

(One day)

**Ab**

Do what I love and support my girl

**Bb**

(One day)

**Bbm C**

I ma shake up the whole world

[Chorus: Ryan Tedder]

**F Ab Bb Bbm C**

And maybe one day I'll be wiser

**F Ab Bb Bbm C F**

Cause maybe one day I'll be further from here

**Ab** **Bb** **Bbm C**  
Put all of my faith in tomorrow

**F** **Ab**  
Dark days keep me up all night

**Bb** **Bbm**  
Only thing I know, it s gonna be

Alright

[Bridge 3: Ryan Tedder]

**F**  
(One day)

**Ab**  
Everybody tryna kill my light

**Bb** **Bbm C** **F**  
Only thing I know it s gonna be alright (one day)

**Ab**  
Everybody tryna kill my light

**Bb** **Bbm C** **F**  
Only thing I know it s gonna be alright (one day)

**Ab** **Bb** **Bbm C F**  
Keep tryna tell myself in the morning things will be better (one day)

**Ab** **Bbm C**  
Keep tryna tell myself that tomorrow s different weather

[Chorus: Ryan Tedder]

**F** **Ab** **Bb** **Bbm C**  
And maybe one day I ll be wiser

**F** **Ab** **Bb** **Bbm C** **F**  
Cause maybe one day I ll be further from here

**Ab** **Bb** **Bbm**  
Put all of my faith in tomorrow

**F\*** **Db\***  
Dark days keep me up all night

**Bb\*** **Bbm**  
Only thing I know, it s gonna be
