

**Maybe**  
**London Grammar**

**Em D**

Live young  
For me as well  
You did always take the weather  
Be the one  
To carry on  
Like you always do

**G A**

Photographs oh you look so well  
And from here  
I can tell  
You ll take a step away from what was so near  
And where are you now  
Without a sound  
Are you there  
And face in the crowd  
Feet over harsh ground  
Are you there somewhere ( **Bm** )

**G A Bm D A**

Maybe, maybe, maybe  
Maybe, darling  
Maybe, maybe, maybe  
Maybe, darling

**Em D**

Quiet  
Company  
Is for you  
Is for you to keep

**G A**

Photographs oh you look so well  
And from here  
I can tell  
You ll take a step away from what was so near  
And where are you now  
Without a sound  
Are you there  
And face in the crowd  
Feet over harsh ground  
Are you there somewhere

**G A Bm D A**

Maybe, maybe, maybe  
Maybe, darling  
Maybe, maybe, maybe  
Maybe, darling

**G A**

And where are you now  
Without a sound  
Are you there  
And face in the crowd  
Feet over harsh ground  
Are you there somewhere

**G A Bm D A**

Maybe, maybe, maybe  
Maybe, darling  
Are you there somewhere  
Maybe, maybe, maybe  
Maybe, darling  
Are you there somewhere
