That ol' drive-in's a new Wal-Mart

C F Dm7
The cafe is closed where our name are carved on that corner booth

Yeah, everything's changed except for the way I feel about you

That westbound Sante-Fe, don't stop here anymore
You were the last to get onboard
The street that we grew up on, you wouldn't recognize
Girl, nothings been the same, since you said goodbye

Everything's changed except for the way I feel about you
