I couldn't show you the way  
**F** **C** **Bb**  
You made me feel each and every day  
**F** **C** **Bb**  
I missed you when we were apart  
**F** **B** **Bb**  
You had such a big part of my heart  
**F** **C** **Bb**  
But now I've lost you, I don't know how to get you back,  
**Gm**  
**Bb**  
Those words you said to me what could I say to that?  
**Gm** **Bb**  
Cos I never meant to hurt you  
**F** **C** **Bb**  
I never meant to see you cry  
**F** **C** **Bb**  
But did you ever think that you'd hurt me?  
**F** **C** **Bb**  
Could you see the pain I felt inside? Cause I  
**F** **C** **Bb** **C**  
I need you right here by my side I will swallow my pride,  
**Gm** **Bb** **C**  
You were always there when I needed you  
**F** **C** **Bb**  
A friend that I could always call  
**F** **C** **Bb**  
But whos gonna be there for me now?  
**F** **C** **Bb**  
Who's gonna catch me when I fall?  
**F** **C** **Bb**
