

I Want To Be The One
Lonestar

****Capo 1****

Intro: **C F**

C

I see those other guys, I hear them tell you lies

F

That same old song they sing, they only want one thing

Dm

I know you re searching for, something that s so much more

G

And I wanna give it to you

Chorus 1:

C

I wanna be the one (the one who makes you feel something real)

F

The one and only one (the one who gets down deep, plays for keeps)

C

I wanna be the one (the one who talks it through, listens to you)

G

Please let me be the one (the one who truly knows you, just let me show you)

C

I wanna make you see the possibilities

F

Of all that we could be through all eternity

Dm

And when you fall in love, yeah really fall in love

C

I wanna be the one

C

Girl you don t know me well, but someday time will tell

F

These dreams I promise you, you ll see them all come true

Dm

I m talking band of gold, I m talking soul to soul

G

And I ain t just talking baby, I wanna...

Chorus 2:

C#

I wanna be the one (the one who makes you feel something real)

F#

The one and only one (the one who gets down deep, plays for keeps)

C#

I wanna be the one (the one who talks it through, listens to you)

G#

Please let me be the one (the one who truly knows you, just let me show you)

C#

I wanna make you see the possibilities

F#

Of all that we could be through all eternity

D#m

And when you fall in love, yeah really fall in love

C#

I wanna be the one....ooh

D#m

And when you fall in love, yeah really fall in love

C#

I wanna be the one

C# F#

I wanna be the one darling

C# F#

ooh, I wanna be the one

C#

The one who talks to you, the one who listens to you

F#

I wanna be the one

C#

The one who gets down deep, the one who plays for keeps

F#

C#

Please let me be the one ooh ooh ooh

Note - if you want to avoid playing all the bar chords in the last part of the song just

move the capo up one notch and play without the # symbol
