

**That Gets Me**  
**Lonestar**

Intro - **Bm** - **D** - **Em7** - **G**

(verse 1)

**Bm** **D**  
It s the way you twist a curl into your hair,  
**Em7** **G**  
as you sit there unaware of how beautiful you are,  
**Bm** **D**  
And if the music that I always seem to hear,  
**Em7**  
When you bring yourself to tears,  
**G**  
From laughin way too hard,

(pre-cho)

**G**  
WHen we re slowly dancin and you slip off your shoes,  
(**D**)-**G** **Asus** **A**  
Don t you know it baby just like everything you do,

**D** **G** **D**  
That gets me, that just gets me everytime,  
**G**  
Right here inside this heart of mine,  
**Bm** **F#7**  
You open up your world,  
**D** **G - E**  
And lay your love out on the li--ne,  
**D** **G** **D**  
That gets me, that just gets me everytime,

(verse 2)

It s the way you say your prayers before you sleep,  
When you curl up next to me, and hold each other close,  
And you tell me with your eyes,  
You ll never let me go,  
That may be the moment that I love the most,

(pre-cho)

When you make me fell like no other man exists,  
when I face the power and surre4ender to your kiss,

**D** **G** **D**

That gets me, that just gets me everytime,

**G**

Right here inside this heart of mine,

**Bm F#7**

You open up your world,

**D**

**G - E**

And lay your love out on the li--ne,

**D G**

**D - G - D**

That gets me, that just gets me everytime, oh

**G**

Right here inside this heart of mine,

(ending)

**Bm F#7**

You open up your world,

**D**

**G - E**

And lay your love out on the li--ne,

**D G**

**D - G**

That gets me, that just gets me everytime, oh

**D G**

**Bm**

**D - Em7 - G**

That gets me, that just gets me everytime,

**Bm**

**D**

That gets me, as you twist a curl into your hair,

**Em7**

**G**

as you sit there unaware of how beautiful you are,

**Bm**

**D**

That gets me, it s the way you say your prayers before you sleep,

**Em7**

**G**

**Bm**

**D - Em7 - G**

When you curl up next to me, oh that gets me,

**Bm**

**D - Em7 - G**

That gets me,
