

**I Will Call You Lover Again  
Loney, Dear**

I Will Call You Lover Again  
Loney, Dear

This is sort of a weird one to tab out since the song is mostly synth but it seems to work pretty well (although the falsetto is darn hard to sing). Improvements appreciated. -Blake

I get things wrong and I m not accustomed to this

**F#** **C#**  
You think I m looking good, that I ve got a sharp-press tonight

**B** **G#m**  
You think I sing better than I do

**F#** **C#**  
You want to hold me this night You want to make this look bright

**F#** **C#**  
Im not a boy, but I m not accustomed to this

**F#** **C#**  
You make me shy, I feel the sweet from your breath

**B** **G#m**  
I am a fool, but you won t think of it now

**F#** **C#**  
You just want to love me this night, you just want to feel fine

**F#** **C#**  
I ll give you names, I ll call you lover again

**F#** **C#**  
I ll whisper your name, I ll whisper your name and again

**B** **G#m**  
I ll steal your photographs just to know that I was

**F#** **C#**  
Actually not dreaming this time, that i was for real this time

**F#** **C#**  
I get things wrong, I m not accustomed to this

**F#** **C#**  
I was n t used to someone as wanting as this

**B** **G#m**  
Someone like me put to shame someone to make

**F#** **C#**  
Someone to make it alright, Someone to make me look bright

**F#** **C#**  
I ll give you names, I ll call you lover again

**F#** **C#**

I ll whisper your name, I ll whisper your name and again
