

I Will Call You Lover Again

Loney, Dear

I Will Call You Lover Again
Loney, Dear

This is sort of a weird one to tab out since the song is mostly synth but it seems to work pretty well (although the falsetto is darn hard to sing). Improvements appreciated. -Blake

G **D**
I get things wrong and I m not accustomed to this
G **D**
You think I m looking good, that I ve got a sharp-press tonight
C **Am**
You think I sing better than I do
G **D**
You want to hold me this night You want to make this look bright

G **D**
Im not a boy, but I m not accustomed to this
G **D**
You make me shy, I feel the sweet from your breath
C **Am**
I am a fool, but you won t think of it now
G **D**
You just want to love me this night, you just want to feel fine

G **D**
I ll give you names, I ll call you lover again
G **D**
I ll whisper your name, I ll whisper your name and again
C **Am**
I ll steal your photographs just to know that I was
G **D**
Actually not dreaming this time, that i was for real this time

G **D**
I get things wrong, I m not accustomed to this
G **D**
I was n t used to someone as wanting as this
C **Am**
Someone like me put to shame someone to make
G **D**
Someone to make it alright, Someone to make me look bright

G **D**
I ll give you names, I ll call you lover again
G **D**

I ll whisper your name, I ll whisper your name and again

C

Am

I am a fool, but you just won t think of it now

G

D

You want to hold me tonight, you just want to feel fine
