

**I Will Call You Lover Again  
Loney, Dear**

I Will Call You Lover Again  
Loney, Dear

This is sort of a weird one to tab out since the song is mostly synth but it seems to work pretty well (although the falsetto is darn hard to sing). Improvements appreciated. -Blake

**E** **B**  
I get things wrong and I m not accustomed to this  
**E** **B**  
You think I m looking good, that I ve got a sharp-pess tonight  
**A** **F#m**  
You think I sing better than I do  
**E** **B**  
You want to hold me this night You want to make this look bright

**E** **B**  
Im not a boy, but I m not accustomed to this  
**E** **B**  
You make me shy, I feel the sweet from your breath  
**A** **F#m**  
I am a fool, but you won t think of it now  
**E** **B**  
You just want to love me this night, you just want to feel fine

**E** **B**  
I ll give you names, I ll call you lover again  
**E** **B**  
I ll whisper your name, I ll whisper your name and again  
**A** **F#m**  
I ll steal your photographs just to know that I was  
**E** **B**  
Actually not dreaming this time, that i was for real this time

**E** **B**  
I get things wrong, I m not accustomed to this  
**E** **B**  
I wasn t used to someone as wanting as this  
**A** **F#m**  
Someone like me put to shame someone to make  
**E** **B**  
Someone to make it alright, Someone to make me look bright

**E** **B**  
I ll give you names, I ll call you lover again  
**E** **B**

I ll whisper your name, I ll whisper your name and again

**A**

**F#m**

I am a fool, but you just won t think of it now

**E**

**B**

You want to hold me tonight, you just want to feel fine
