Make A Million Long Addiction

/Chorus/

/Make a Million - Long Addiction/ /Written By - Paul Curtis-Harper /the tuning for this song is actually E b e g# b e but you can play it with standard tuning like this/ /Verse - 1/ Е E When your walking, to the places you, know you wanna take me to When your talking, no one listens to, you when your talking through Conversations that you know, Conversations that you know /Verse - 2/ When the time is right, i ll leave you all behind For the dream i wanna find As the time goes by, life s what i wanna find Free to do what i like Cos i know i m gonna make it alone x2 /Chorus/ Cos in time you know its gonna make me wild I walk around in circles for another night I ll try again just to make me smile I ll make a million just to see you proud To see you proud of me, to see you proud of me /Verse - 3/ I see your lonely face, Taking up that space And your a million miles away How can i sustain, this smile i have today When your a million miles away When your a million miles from home x2 /Chorus/ /Verse - Solo/

That s it see ya next time
