Lonely End
Long Beach Dub Allstars

whole song is done with a very simple reggae downstroke, just play along a few times and
you should be gold!

Intro: **G#**   **Eb**   **G#**   **Eb**   **F**   **Bb**   **F**   **Eb**   (**G#**)

G#   **Eb**   **G#**
I make my own rules, yes I open my own doors
(**G#**)   **Eb**   **F**
I try be on point, Yes I go there every day
(**F**)   **Bb**   **F**
You see me on the streets, Yes I go by many names,
(**F**)   **Eb**
I hear the people think that I am strange

G#   **Eb**   **G#**
I live my own life, I do it my own way
(**G#**)   **Eb**   **F**
My actions and my words, Make my mama say
(**F**)   **Bb**   **F**
Boy you better watch out, cause I ve got my eyes on you
(**F**)   **Eb**
when you re caught there s nothing you can do

Chorus:

G#   **Eb**
When I got caught, I didn t care
C#   **G#**   **Eb**   (let the last **Eb** ring)
This might be hard to understand, My friend

G#   **Eb**
Let the humbled be grounded beneath thee feet, As they kill over colours
G#   **Eb**
Love is not in love is that as love on the street, so don t cry for my brothers
F
Better watch your back, Try not to stare
Bb
when the shit goes down, you better be aware
F   **Eb**
When the night falls it s time to say your prayers

Chorus:

```
G#                    Eb
And so I got caught, I didn t care (no)
C#               G#          Eb        (let last Eb ring)
This might be hard to understand, my friend

(repeat intro chords)
G#   Eb   G#   Eb    F    Bb    F    Eb

G#                       Eb                      G#
I ve lived My own life, I did it my own way
(G#)                     Eb                      F
My actions and my words, Make my mama say
(F)                  Bb                             F
Boy you better watch out, cause I ve got my eyes on you
(F)                         Eb
When you re caught there s nothing you can do

G#                 Eb
And so I got caught, I didn t care(no)
C#              G#         Eb
This might be hard to understand, My friend
      C#            G#            Eb
And, this one might be your lonely end, My friend
       C#             G#             Eb
Cause, this might be hard to understand, My friend
      C#              G# (slow down)   Eb(let ring)
Cause, this one might be your lonely end

and that s it! hope you enjoy playing it as much as I do!

Note: The lyrics are the ones I personally use(writing down the lyrics after
listening
to the song a hundred times),as none of the lyrics sites seem to have the
correct lyrics.
Just sing along and you ll get it!
