G **D** **C** **A#** **F** **F#** **G**

Take me down to Mexico, Rosarito, Baja California

G **D** **C** **A#** **F** **F#** **G**

Ohh lord, take me down to Mexico, Rosarito, Baja California

G **D**
Things you said last night down by the fire side

C **A#** **F** **F#** **G**

Didn t seem to mean much the next day

G
A bottle rocket blew up

D
A bunch of people threw up

C **A#** **F** **F#** **G**

I looked at my man Eeno and this is what he said

Bm
They say life is good and they say life is fun

Bit it sure ain t that way for everyone

well I crossed the border just to change my scene

E **D** **C**
and I will keep ... (unknown lyric)

Down here at the border where the money s like green

Tequila, beer, exstasy, and mescaline

One thing remains true, the water s still blue

E **D** **C**
You know what to do

Get some

G
Well I drove up north to heaven

D
And I ve learned from what I ve seen

C **A#**
If I had to do it over

F **F#** **G**
Then I wouldn t change a thing
