Intro

D , F+7 , C

- One guitar strums the other plays arpeggios of the chords

theres is a short run that plays the notes out of the F+7 Position
F, E, D, F,E,D - End on **A C** major chord

C

I am not asking you for your heart or your hand

C C D F+7

And I not know what to do with your soul

C D F+7

But to wake up beside you in the morning

C D F+7

And to see you softly breathing

C D F+7

And the movement of your eyes dreaming

C G F+7

And to feel your flower softly bleeding

F+7 C

Is all that I am needing

G F+7 C G F+7

Just stray with me awhile

C

Stray beside your man awhile

F+7 C D F+7

Stray with me awhile

C

Stray beside your man awhile

D, F+7 , C

C

I am not searching for some perfect destination

C **D** **F+7**

I don t know where I m going at all

C **D** **F+7**

But to unexpectedly find you in a mountain

C **D** **F+7**

Or to get you out of the fountain

C **G**

And to know where this old roadway lead

F+7 **C** **G**

I know you ll truly miss me

F+7 **C** **G**

That s all that I am needing

F+7 **C** **G** **F+7**

Just stray with me awhile

C **G**

Stray beside your man awhile

F+7 **C** **D** **F+7**

Stray with me awhile

C **G**

Stray beside your man awhile

F+7 **C**

It s all that I am needing.

Tranquil.....
