(USES THE SAME CHORD PATTERNS AS BEFORE)

The cocaine and the smoking the new stain and the old flame the lair of  
fat and the whole game for you  
The campaign and the camp pain the dancing and the v-sign the smell of fat  
chicks wrapped in denim and kicks for you  
To read between the lines  
That crowd around your eyes  
The flabby burgers mine  
The free toy  
The day and the night  
I want some  
Need some  
Love in your eyes.
