Intro: **A**

**A** **E**  
You said I was strong

**A**  
It looks like you re wrong

some nights

**E**  
I feel so small

**A** **E**  
I haven t given up on someday

**A**  
I can t find my way

**E**  
I m just trying to find

**A**  
A soft place to fall

**E**  
A soft place to fall

You said you loved me  
**A**

to have and to hold  
**E**

A soft place to fall

If you really loved me  
**A** **Asus4** **A**

then how could you go?

**A** **E**  
Like love s lonely highway

**A**  
Keeps on winding

I m fighting

**E**

to make sense of it all

**A**

Like a cold and empty cabin

**D**

I m a million miles from heaven

**A**

**E**

There no one home to call

**A**

**Asus4**

**A**

And no soft place to fall

**E**

A soft place to fall

You said you loved me

**A**

**Asus4**

**A**

to have and to hold

**E**

A soft place to fall

If you really loved me

**A**

**Asus4**

**A**

then how could you go?

**D**

**Dsus4**

**D**

And God knows I ve prayed

**A**

**Asus4**

**A**

at the end of each day

**E**

I go down on my knees

**A**

And I talk to the floor

**E**

**A**

**E**

**A**

**A**

I pull the covers up around me

I need angels surrounding

**E**

**A**

so much for love

**E**

A soft place to fall

You said you loved me

**A**

**Asus4**

**A**

to have and to hold

**E**

A soft place to fall

If you really loved me

**A            Asus4   A**

then how could you go?

And God knows I ve prayed

**D            Dsus4   D**  
**A            Asus4   A**

at the end of each day

**E            Esus4   E**

I go down on my knees

**A            Asus4   A**

And I talk to the floor

And I hope lightening strikes

**D            Dsus4   D**  
**A            Asus4   A**

and just rips through the night

**E            Esus4   E**

cause I need a sign tonight

**A            Asus4   A**

or just a knock on my door

**E**

I m just trying to find

**D            A**

a soft place to fall
