

Comfortable  
Lontalius

[Intro]

Em D G Am [x2]

Em                 D  
Cause I bit my lip until it bled  
G                 Am  
But I kinda wish that I bit yours instead  
Em                 D  
I spilled blood on my ex-boyfriend s shirt  
G                 Am   Em  
And I hope that I won t ever make you hurt

                       D   G  
The way that I once told you that he did  
                       Am   Em  
The way that I can t help remember him

                       D   G  
Said I loved you and I ve never meant it more  
                       Am  
But despite it all I m always feeling bored

C     D             Em   D  
I d do anything to feel comfortable up here [x4]
