

**I Was More Than
Lontalius**

Intro

C F X4

C
I still love the way It moves
F **C**
And the details it loses when I walked off
F
And proved that I was more than
C **F**
I was more than

C F

Am
I still love the way It moves
F **Dm**
And the details it loses when I walked off
C
And proved that I was more than
C
I was more than just useless
F **C**
I was more than

C **F**
They are bound to choose what s best for all of us
C **F**
They were sound asleep when they were choking us
C **F**
They are bound to choose what s best for all of us
C **F** **C**
They were sound asleep when they were choking us?
