

From Stanton Station
Looking Glass

D C G D
I used to work for the New Jersey Railroad
D C G D
I got laid off cause the times weren t good
G D Bm G
My unemployment is sixty-five dollars
C G C Bm D
Sixty-five dollars don t buy what it should

D C G D
I have a-a weakness for 80-proof whiskey
D C G D
Lately, I m drinking a bottle every day
G D
Messing my mind up
A Bm A G
Lord, it s wrecking my body
C G C G D
But it helps make those long, lonely hours slip away

G D
I used to be a railroad man
C G D
And I m damn proud of it, too
G D
I did more work in a working day
C G D
Than any two men could do

G D A
Foreman said I drink too much
Bm A G
I said that s just half-way true
C G
I drink half as much as my daddy did
C G D
And twice as much as you

D C G D
I used to have me a good looking woman
D C
Loved her and kept her
G D
And called her my own

G D Bm A G
She started packing when I started drinking

C **G**
Now I m drunk and I m busty

C **G** **D**
And I m angry all alone

G **D**
I used to be a railroad man

C **G** **D**
And I m damn proud of it, too

G **D**
I did more work in a working day

C **G** **D**
Than any two men could do

G **D** **A**
Foreman said I drink too much

Bm **A** **G**
And at last I know it s true

C **G**
But I m too far gone to change now

C **G** **D**
Ain t nothing I can do
