Intro

D Bm Em Em D

D Bm Em

Shaky feet but solid ground

Em D

Everyone s on valium and no one s around

D Bm Em

She can t seem to find a friend in the whole of this town

Em D

Maybe your not looking or your only looking down

Chorus

G

But it s almost night time

D

and you know that s the right time to dance

G

Put your cherry on your lips and shake your sexy hips

D

Tonight s the chance

Bm

Em

ooh to dance, yeah to dance

[Same chords for the rest of the song]

He won t even notice that you just put two pills down
Except for when you cuddle him or the way you jump around
He calls you by your last name but he thinks that it s your first
Everyone s in love with him but your just feeling worse

But it s almost night time
and you know that s the right time to dance ooh
Put your cherry on your lips and shake your sexy hips
Tonight s the chance
ooh to dance, yeah to dance
