

Meet Me In The Woods
Lord Huron

[Intro] **Em D G**
Em G C

Em **D** **G**
I took a little journey to the unknown
Em **G** **C**
And I come back changed I can feel it in my bones
Em **D** **G**
I fucked with forces that our eyes can't see
Em **G** **C**
Now the darkness got a hold on me
Em **G** **C**
Now the darkness got a hold on me

(**Em D G**)
(**Em G C**)

Em **D** **G**
How long baby have I been away?
Em **G** **C**
Oh, it feels like ages though you say it's only days
Em **D** **G**
There ain't language for the things I've seen
Em **G** **C**
And the truth is stranger than my own worst dreams
Em **G** **C**
The truth is stranger than my own worst dreams
Em **G** **C**
Now the darkness got a hold on me

C **G**
I have seen what the darkness does
Em **Am**
Say goodbye to who I was
C **G**
I ain't never been away so long
Em **Am**
Don't look back them days are gone
C **G**
Follow me into the endless night
Em **Am**
I can bring your fears to life
C **G**
Show me yours and I'll show you mine
Em **Am**
Meet me in the woods tonight
