Intro:

Dm G Em F Dm G Am

Dm G Em F
I don t wanna see and I don t wanna hear

Dm G Am
The shadow of the arriving bat

Dm G Em F
Please don t release me when you see me falling

Dm E
Into the moaning grounds of death

F G
I will disband

F E
My heart in your hands

Am F C G
Will you tell me See you soon in a while

Dm G C E
When my eyes fade please give me your smile

Am F C G
And even dark nights are ending in dawn

F G Am
You ll have time to cry when I m gone

Dm G Em F
Devour me and fill my heart with courage

Dm G Am
Give me wings and camouflage the scar

Dm G Em F
Rip out my lungs and kill my fever

Dm E
Bring me back to the alluring grounds of love

F G
I will disband

F E
My heart in your hands

Am F C G
Will you tell me See you soon in a while

Dm G C E
When my eyes fade please give me your smile
Am F C G
And even dark nights are ending in dawn
F G Am
You ll have time to cry when I m gone

Am F C G
This is not farewell this is only good bye
Dm G C E
When my lips fade please kiss them good night
Am F C G
But even bright days are starting in dawn
F G Am
You ll have time to cry when I m gone

Dm Am C G
All the happy faces and memories are killing me
Dm Am
Am I already dreaming
C E
Please tell me that I only sleep...

Dm G Em F
Close the circle, come to an end
Dm G Am
Metamorphosis begins
Dm G Em F
Please hold your promise and let me forsake
Dm E
Metanoia and the laughing grounds of hate

Am F C G
Will you tell me See you soon in a while
Dm G C E
When my eyes fade please give me your smile
Am F C G
And even dark nights are ending in dawn
F G Am
You ll have time to cry when I m gone
