

400 Lux  
Lorde

[Intro]

**C#**

[Verse 1]

**C#**

We re never done with killing time

**Fm**

Can I kill it with you?

**F#**

Til our veins run red and blue

**C#**

We come around here all the time

**Fm**

**F#**

Got a lot to not do, let me kill it with you

[Chorus]

**C#**

You pick me up and take me home again

Head out the window again

**Fm**

**F#**

We re hollow like the bottles that we drain

**C#**

You drape your wrists over the steering wheel

**Fm**

Pulses can drive from here

**F#**

We might be hollow, but we re brave

**C#**

And I like you

**Fm**

I love these roads where the houses don t change (and I like you)

**F#**

**Bbm**

Where we can talk like there s something to say (and I like you)

**Fm**

I m glad that we stopped kissing the tar on the highway

**F#**

We move in empty streets

**C#**

I d like it if you stayed

[Verse 2]

**C#**

Now we re wearing long sleeves

**Fm**

And the heating comes on

(You buy me orange juice)

**C#**

We re getting good at this

Dreams of clean teeth

**Fm**

I can tell that you re tired

But you keep the car on

**F#**

While you re waiting out front

[Chorus]

**C#**

You pick me up and take me home again

Head out the window again

**Fm**

**F#**
