[Verse 1]

Bm
All my life,
G A
I ve been fighting a war
Bm G A
I can t talk to you or your friends
Bm
It s not only you,
G A Bm
My heart jumps around when I m alluded to
G A
This will not do
Bm G A
Cause I was raised up to be admired,
Bm
to be noticed
G A
But when you re withdrawn,
Bm
it s the closest thing
G A Bm
to assault when all eyes are on you
G A
This will not do

Bm " **Bm** - **G** - **A**
Bm " **Bm** - **G** " **A**
Bm " **Bm** - **G** " **A**
Bm " **Bm** - **G** " **A**

[Verse 2]

Bm
I m faking glory
G A
Lick my lips toss my hair
Bm
And send a smile over
G A
And the story s brand new
Bm

But I can take it from here,

G A Bm G A
I ll find my own bravado

[Chorus]

D

It s a switch flipped

It s a pill tipped back

Em

It s a moon eclipsed, oh

Bm

A

And I can tell you that when the lights come on I ll be ready for this

D

It s in your bloodstream

Em

A collision of atoms that happens before your eyes

Bm

A

It s a marathon run or a mountain you scaled without thinking of size

D

I was frightened of every little thing

Em

Bm

that I thought was out to get me down

A

To trip me up, and laugh at me,

D

But I learned not to want the quiet of the room

Em

Bm

with no one around to find me out

I want the applause, the approval, the things that make me go, oh

[Chorus]

D

It s a switch flipped

It s a pill tipped back
